

Instructional Surgical DVDs by Dr. Paul Fugazzotto

Dr. Fugazzotto received his D.D.S. from New York University in 1979 and a certificate in advanced graduate studies in periodontology from Boston University in 1981. Since that time, Dr. Fugazzotto has maintained a private practice limited to periodontics and implant therapy in Milton, Massachusetts. Dr. Fugazzotto has authored or co-authored over 80 articles in refereed scientific journals, as well as authoring a monograph entitled "Guided Tissue Regeneration: Maximizing Clinical Results" and a textbook entitled "Preparation of the Periodontium for Restorative Dentistry". Dr. Fugazzotto is an active member of many organizations including the American Dental Association, the American Academy of Periodontology, the Academy of Osseointegration, and the Pierre Fauchard Academy. He is a fellow of the International Team of Implantology. Dr. Fugazzotto is also Senior Editor of Implant Realities.

Dr. Fugazzotto lectures nationally and internationally on the topics of periodontics, periodontal restorative interrelationships, regenerative therapy, implant therapy, esthetics, and practice growth.

For information on Dr. Fugazzotto's live surgical courses, contact 617.696.7257

Maximizing Guided Bone Regeneration Results: Material Selection and Technical Execution (717-00-35)

Contents:

- Surgical Animations
 - a. Effective Flap Design
 - b. Rotated Pedicle Flap
 - c. Guided Bone Regeneration at Extraction
- Initial Surgery and Graft Placement
- Surgical Re-entry and Implant Placement
- Clinical Results: Radiographic and Histological
- Material Handling Techniques: Frozen and Room Temp Modalities

Maximizing Sinus Augmentation Surgery: Material Selection and Technical Execution (717-00-36)

Contents:

- Caldwell-Luc Surgical Animations
- Initial Surgery: Caldwell-Luc Approach, Graft Placement
- Surgical Re-entry and Implant Placement
- Clinical Results: Radiographic and Histological
- Material Handling Techniques: Frozen and Room Temp Modalities
